Five unmissable Castles in Alicante Costa Blanca ^[1]

Alicante Costa Blanca is much more than the worldwide famous beaches. It is a place which gave rise to a lot of wars between realms and cultures, a territory which went through epic battle and which had to defend itself against all type of invaders.

- [MARTE, Fair of Contemporary Art in Castellón](#) ^[2]

From 16th to 19th November, the contemporary art is the main guest in Castellón in an international exhibition which will allow you to see in one space the most modern offer of present-day art.

- [Terres dels Alforins: A proposal of wine tourism in Valencia](#) ^[3]

Did you know that in the Region of Valencia you can also find a Toscana? Yes, it is the Toscana of Valencia, where you will dive into an amazing wine touristic trip, to discover Terres dels Alforins, where the landscapes, the history and the vineyards will make of this a very special experience.
