Towns and cities - Alicante Costa Blanca

Pilar de la Horadada welcomes all visitors that arrive at the Valencian Community via Murcia. And what better way than with a young, independent municipality, which demonstrates the advantages of progress in harmony with its origins, marked by agriculture and history. Its four kilometres of beaches contrast with its cultivated lands of vegetables and fruit trees, as well as with nature in its purest state, with animal species not often seen in other areas of the Valencian littoral.
