Towns and cities - València

Although during the Roman Age, Llíria, then known as Edeta, was the capital of Edetania, an important enclave, the first settlements in *San Miguel's* hill date back many more centuries. The capital of *Camp del Turia* certainly has a privileged location. Throughout the years, its neighbors and citizens have preserved and increased a rich historic heritage together with one special element which has developed this city into the City of the Music: since one friar introduced musical activities, music has really taken off. Now, two schools, two bands and thousands of students provide sounds and melodies to the enclave, which transforms Llíria into an exceptional place.
