[1]

This is a Baroque palace dating from XVIII century. Its beautiful façade, 49 metres long, is flanked by twin towers. At the foot of its main staircase is a stone marking "point zero", which serves as a reference for measuring height above sea level for all other cities in Spain. Outstanding within the building are the triptych by Gastón Castelló representing the construction of the building, the Blue Room and the Council Chamber.

- **Features:**
- **Type:** BIC Monumento
- **Times:** De lunes a viernes de 09.00 a 14.00 h.; sábado, domingo y festivos cerrado
- **Season:** siglos XVII-XVIII
