Offer description:

Albufera Parc is a project that was born to make more accessible the Natural Park of La Albufera to all people who visit València. Its philosophy is to recover, preserve and spread the cultural, environmental and ethnographic values ??of El Palmar and L'Albufera de València.

Everyone is welcome to L'Albufera! That is why all its facilities (accesses, boats and toilets) have been designed with no physical barriers for people with reduced mobility.

Many activities are carried out throughout the year to announce this unique place in Europe and the largest freshwater lake in Spain.

These ones stand out:

Meals on board

During the warmest months of the year, they offer rice tastings on a boat in L'Albufera. It is a full menu based on typical Valencian tapas and a rice dish. You'll be onboard around 2 h 30 m.

Sunsets on the lake

The guide will stop the boat's engine in "el lluent" (open waters) of the lake to contemplate how the sun fades away in the west of l'Albufera.

Boat trips of Vela Latina

During the months of spring to summer, you can enjoy the fantastic and spectacular sunsets on your boats with Vela Latina, just powered by the force of the wind. The approximate duration of the activity is 2 hours.

Follow-up of Sailing Latina Regattas

This activity usually takes place on weekends from March to September and a total of about 20 regattas. The approximate duration is 3 hours, always conditioned by the speed and direction of the wind.
