Five spacious double rooms make up the available bedrooms and each of them with its own private bathroom. They offer you the possibility of including a cot and up to two extra beds, with a total capacity up to 12 people.

In addition to the indispensable kitchen, the rural house has an outdoor terrace where you can enjoy the good weather and barbecue-paellero to prepare a good meal in the open air. Thinking about the little ones, in Venta Gaeta you can also find different games and a children's area. In summer, they offer free access to a swimming pool located very close. There are numerous hiking trails and different excursions available in the surroundings of the cottage.
