There are actually two courses at El Plantío: the main 18-hole par 72 course, and a nine-hole par 3 course. Located only three kilometres from Alicante's international airport, El Plantío attracts thousands of people from outside the province who come to enjoy the superb facilities available.

This is a course to walk through, study all the possibilities and then enjoy your game. Take the course too lightly and you may suffer more than you had bargained for. Surrounded by lush greenery, the fairways and greens are perfectly designed and superbly cared for.

It's a course to enjoy at a leisurely pace, and the nine-hole par 3 course is a delight. El Plantío Golf Club is modern not only in terms of design, but also in its sustainability criteria, winning the Madera Verde award in 2008, and recognition from the Assembly of European Regions as a sustainable golf course.
