Las Rejas Sol de Poniente is a new nine-hole par 3 golf course in a privileged location on Benidorm's Poniente beach, only a short distance from the town centre, with a superb design and panoramic, almost idyllic, views.

The course's practically perfect facilities allow for a quick and comfortable game, while adding degrees of difficulty to challenge your level of play. Posting a good card on this course is far from simple, and a good strategy is essential: play a risky game from the outset, or take your chances at key moments, when the pin is within reach.

The greens range from receptive to ones with a glass-like surface, where the ball zips through and can end up out of control unless struck with accuracy and care.
