The excitement of the catamaran, the adventure of kayaking, the freedom of cutting through the sea on a windsurfing board or a wakeboard when the sea is calm. All of this is possible thanks to the location of this centre, set in a calm inlet in the Peñón de Ifach. Beginners can benefit from the sheltered conditions of the bay, while the more experienced sailors can enjoy the open sea or the adventure of sailing around the Peñón.

Open from March to November, it offers classes and hires out catamarans, windsurfing boards, sea kayaks and wakeboards. At weekends, in spring and autumn, they organise crossings by catamaran between Xàbia and Altea. In summer you can take a trip out in a kayak either in the morning or at night if there is a full moon. If you book in advance, you can sign up for courses or sail on a cruiser throughout the year.

Augusto Brunet in 1978 was the founder of Las Antipodas and his challenge was that this type of water sports could be at the reach for everyone.
