Datos principales

Description:

Open to the Mediterranean and caressed by the Levante breeze, Puçol beach offers visitors over two kilometres of fine sand protected by breakwaters and backed by a pedestrian seafront promenade. It has all the necessary facilities, without its beauty being overshadowed by any tall buildings. The beach never gets overcrowded, meaning that you can have a swim, sunbathe or simply relax and enjoy the peace and quiet. A hundred metres off shore, the rocky seabed is a delight for scuba divers.

Puçol beach has the Blue Flag, which certifies the quality of its waters. It also has the Qualitur flag, a guaranty of its services and environmental management according to the international standard ISO-14001. The users have showers and footbaths, wastebasket, beach volleyball nets, accessibility for the disabled, regular analysis of water quality, pedestrian promenade available at their service and, in season, they also have walkways, public free umbrellas, tourist info, lifeguards, health post, services as well as sports and leisure activities.
