The Els Ports and Maestrat districts offer visitors the chance to **enjoy nature** at its very best, with verdant forests interrupted by craggy peaks, sharp ravines, a hermitage here and there, and sleepy mountain villages with **magical auras** that transport us back to the distant past. This **impressive and varied scenery** provides a habitat for Nature's treasure-horde of animals, including hares, squirrels, partridges and quail, living in unison with the wild boar, the Spanish mountain goat, the golden eagle and the tawny vulture.
